

Soothies®

Freedom to  
your throat

Soothies®

Effective Relief From Throat and Mouth inflammation  
لتخفيف وإزالة التهاب الفم والحنجرة

## Why Soothies®?

- For the symptomatic treatment of inflamed and infectious illnesses of the oral cavity and the throat, such as sore throat.
- Contains Dequalinium Chloride 0.25 mg which has a dual action as Antibacterial and Antifungal especially against *Candida Albicans*.<sup>1,2</sup>
- Highly effective in relieving and soothing the throat.<sup>3</sup>
- Available in UAE in 4 different flavors with a very pleasant taste.

## What about the flavors?

Soothies® Honey Lemon

Soothies® Cherry Menthol

Soothies® Blackcurrant

Soothies® Cool-Mint

## How does Soothies® work?

- The act of sucking Soothies® allows Dequalinium Chloride to work directly in the area of infection.<sup>3</sup>
- Soothies® also lubricates and soothes the painful area, which helps relieve the soreness and discomfort of mouth and throat.<sup>3</sup>

“ For children six years old onwards and adults:  
at the beginning patient should allow Soothies® to  
dissolve slowly in later on patient can suck one  
pastille every two to three hours.”
